REID™ On-Site Training Programs 2019

In addition to hosting THE REID TECHNIQUE OF INTERVIEWING AND INTERROGATION® training programs, you can host any of the following training programs at your location.

• THE REID TECHNIQUE OF INVESTIGATIVE INTERVIEWING AND POSITIVE PERSUASION™: 3 Days
  In order to meet the needs of those organizations and individuals who conduct investigative interviews but may not engage in accusatory interrogation, John E. Reid and Associates has developed a specialized three day training program entitled, THE REID TECHNIQUE OF INVESTIGATIVE INTERVIEWING AND POSITIVE PERSUASION™. This new training program consists of two phases.
  • Phase One focuses on how to most efficiently and effectively conduct a non-accusatory investigative interview, and how to assess the credibility of the information that was developed during the interview.
  • Phase Two of the process involves the use of REID SEVEN STEPS OF POSITIVE PERSUASION™ to motivate the subject to want to tell the truth regarding information they perceive as being incriminating.

This training program presents the most effective and reliable technique to resolve all types of investigations, including:
  • Falsification of documents
  • Regulatory violations
  • Harassment
  • Fraud
  • Any violation of rules or regulations or any act of misconduct that needs resolution

PERFECT for the experienced or inexperienced interviewer, including:
  • Regulatory Investigators
  • Auditors
  • CPAs
  • Fraud Investigators
  • Human Resource Professionals
  • Anyone involved in fact-finding investigations

• THE REID TECHNIQUE OF INVESTIGATIVE INTERVIEWING AND POSITIVE PERSUASION FOR CHILD ABUSE INVESTIGATIONS™: 3 Days
  This is a specialized three day program designed for anyone who investigates child abuse and interviews alleged offenders including:
  • Social Service
  • Child Protection Worker
  • Police Officer
  • Child Advocate
  • Prosecuting Attorney
  • Medical Personnel
  • Counselor

The curriculum is designed to be beneficial for new and even the most experienced investigator. The program topics include: Understanding the mind of an offender; BEHAVIOR SYMPTOM ANALYSIS®; The REID Investigative Interview and the REID SEVEN STEPS OF POSITIVE PERSUASION™. Participants will see videos of alleged offenders as well as convicted offenders.

A fourth day can be added to this program:
  • Physical and Neglect Child Abuse Injury Reconstruction Techniques

Additional REID™ Training Programs:

• Reid Military Instructional Program: 4 or 5 days
  The Reid military program for special operations, intelligence, counterintelligence, and HUMINT collection integrates the Reid “Behavior Analysis Interview” and “Nine Steps” with Army Field Manual 2-22.3 (“the Manual”) in the arts of detecting deception, tactical questioning, screening, debriefing, source contact operations, elicitation, liaison, and interrogation to fit the MOS of each specific audience.

The Reid Military Instructional Program differs from its counterpart law enforcement programs by:
  • Focusing themes and behavior assessment for maximum effectiveness within target geographic areas of responsibility (AORs);
  • Adapting instructional models to the risks/variables inherent within uncontrolled environments;
  • Incorporating recognition and resistance against hostile interrogation/elicitation tactics;
  • Including proactive intelligence collection in addition to after-action investigation; and
  • Offering practical exercises that replicate actual circumstances faced down range.

REID™ On-Site Training Programs 2019

• HIRING THE BEST™ Program: 1 Day
  An innovative training program designed to improve your applicant interviewing skills by teaching you proven methods to identify deception, encourage candidness and uncover more information.

• Forensic Interviewing for Attorneys: 1 Day
  Forensic Interviewing for Attorneys is a one-day CLE program which teaches field tested principles of: a) detection of deception through behavior symptom analysis; and b) non-coercive elicitation of information for use during suspect or witness interviews, depositions, jury selection and trial testimony. These principles are not taught within conventional law school curricula or CLE programs and are intended for use during questioning both of cooperative as well as adverse, hostile and reluctant witnesses. Actual case studies and videos bring life to the lecture material; and the program is presented by a practicing attorney with more than 35 years of experience interrogating criminal suspects.

By hosting a REID™ training program the cost savings are substantial. For example, to host our 3-Day Course on THE REID TECHNIQUE OF INTERVIEWING AND INTERROGATION®, the cost would be $445 per person (a savings of $180 per person from the rate of $625) to attend one of our open enrollment programs. International programs may incur additional expenses. The hosting agency may also receive several free seats which further reduces the cost per person.

WE PROVIDE:

Marketing and Registration Assistance:
  We provide you with all the promotional brochures you need at no charge. Reid will also assist in the registration of all participants for the program.

Course Materials:
  Each student will receive an extensive outline manual, as well as a certificate of course completion.

Instructors:
  REID™ Courses are taught by twelve of our senior staff members; all are experts in THE REID TECHNIQUE® method with 25 to 35 years of interviewing and interrogation experience. This represents the largest and most experienced staff in the world.

Specialized Content:
  John E. Reid and Associates can custom-design any of the training programs to meet the specific needs of your audience. It has been our experience that many organizations host a REID training program for their staff and then market the course to their colleagues in the surrounding area. This can increase the number of free seats that a host will receive.

International Programs:
  John E. Reid and Associates has conducted numerous international training programs for a variety of sponsoring agencies throughout the world. We have translated our training course material on THE REID TECHNIQUE OF INTERVIEWING AND INTERROGATION into Spanish.

If your agency is interested in hosting a John E. Reid and Associates training program, please contact Julie Rock at 855-479-3959 or email at jrock@reid.com for details or for any additional information that you might need.
